

Dear Parents and Carers

We have had a busy week at school. The whole school took part in an activity day yesterday where they learnt Zumba, yoga and many other skills. There will be a full report and photos in next week's Newsletter.

Squirrels Class

Following the children's interests Squirrels have been busy with a witches kitchen. The children have been counting and recognising numbers as well as mixing lots of potions and writing magic spells!

Years 1 and 2

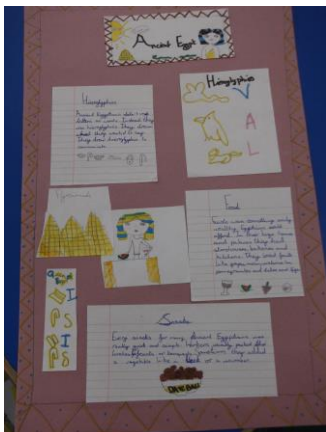

This week Year 1 and 2, as part of their English work on The Very Helpful Hedgehog have been learning about following instructions. They had the opportunity to taste different types of apples and then write instructions about what they did. In science we are

looking at different types of habitats and we explored our school grounds to find different insects and where they live.

Foxes, Hares and Otters Classes

In Foxes, Hares and Otters classes we have been making fact files about Ancient Egypt. We have learnt about the features of a fact file and used reference books, video clips and the internet to help us find information.

Year 5 and 6

We have been learning about some really interesting Science in Year 5 and 6. We have been learning about pollution, how it affects rivers and the sea and what we can do about it. We did a practical experiment in which we released the pollutant (glitter) into water and saw how it could disperse through our water system and affect it and we saw what damage it could cause. We then designed posters persuading people to look after our world. By Hollie Year 6

Year 3 and 4 Outcome Event

On Friday 19 October at 3.10pm the children will present a dance, song and the children will showcase their Ancient Egypt work. All parents/carers of Year 3 and 4 are welcome.

Football Club

There will be **no** football club next Tuesday as Year 6 are away at Calshot.

Open Morning

Please note that the time has changed for our Open Morning on 16 November – it is now 10 – 11am not 9.30am.

Ruck Sacks

A reminder that children should not bring ruck sacks into school unless they have swimming, forest school etc. We are very limited on space in the classrooms – thank you.

Dogs

Please could you ensure that if you bring your dogs to school that they are not brought onto the school grounds and kept away from the school gates as we have some children who are afraid of dogs especially big ones!! Thank you.

Yours faithfully

Mrs Bordoli
Acting Headteacher
