

HEDGEHOGS NEWSLETTER

FRIDAY 7TH NOVEMBER
2025

Welcome back! We hope you all had a lovely half term, it's been so wonderful to see all the children back, full of smiles and ready for another fun-filled half term!

This week has been all about Fireworks Night. The children have had a fantastic time using art in lots of different ways to create their very own firework pictures. We used toilet rolls to print bright, colourful patterns onto black paper and got creative with cutting and sticking too.

One of the highlights of the week was teaming up with Reception for a fun-filled morning. The children used teabags dipped in paint to create colourful "splats" on large sheets of paper, making their own amazing firework displays. We also visited the library to collect books all about fireworks, light, dark, and colours to bring into our learning environment. It's been a week full of colour, creativity, and excitement!

EXPLORE. LEARN AND DISCOVER!

The children have been busy outside this week, building all sorts of wonderful constructions using the cable reels, foam bricks, wooden blocks, planks, and tyres. Their imaginations have really shone through as they worked together to design and create and it's been lovely to see so many great conversations and new friendships forming along the way!

It has also been wonderful to see so many children using the range of natural objects we have in Nursery to create their own inventions, patterns, and games. Their creativity and curiosity have really shone through as they've explored different textures and materials to bring their ideas to life!

IMPORTANT DATES FOR YOUR DIARY

Monday 10th November - ODD Socks Day for Anti-Bullying Week
(Children can wear odd socks to Nursery)

Friday 14th November - Children In Need (Children are welcome to wear Pudsey ears or accessories)

HAVE A LOVELY WEEKEND SOPHIE AND THE TEAM
