HEDGEHOGS NEWSLETTER

FRIDAY 11TH SEPTEMBER

What another busy and exciting week we have had in Hedgehogs!

We have welcomed more new friends into our nursery family this week, with children joining us for their settling sessions and taking those exciting first steps into their first nursery day. It has been lovely to see everyone beginning to feel more comfortable and confident in their new surroundings.

The children are becoming very confident with our nursery routines and are settling beautifully. There has been lots of wonderful learning through play, including plenty of playdough fun, water play and sharing books together. It has been lovely to watch the children explore, discover and develop their friendships as they play.

A big thank you to everyone who has provided slippers for their child to wear indoors at nursery. The children are loving having cosy, warm feet and are enjoying wearing their slippers throughout the day!

If you haven't brought in slippers yet, it is not too late. We would love for everyone to have a pair to wear indoors, helping us to keep little feet warm and cosy.

COMMUNICATION RECORD TRIAL

Today, we are trialling a new communication record to help us share some of the important information about your child's day with you. This will include details such as:

- What your child has eaten
- Any nappy changes
- Whether they have had a sleep
- Any other significant information from their day

We would really value your feedback about this new approach. We would love to hear whether you find the communication record helpful and whether there is anything else you feel would be useful for us to share.
